

## NOISE POLLUTION | ADDITIONAL AUDIO RESOURCES

### Wow in the World | Pokemon Go: Make Some Friends and the Noisy Sound of Silence

*Duration:* 20:53

*Audio Description:* How in the world can playing Pokémon Go help us make new friends? What in the world is up with all of that noise polluting our wildlife habitats? Join Guy Raz and Mindy as they capture Pokémon, battle shyness, and take you on the noisiest nature hike on earth!

### Wow in the World | Chill Out(side)!

*Duration:* 13:48

*Audio Description:* Where in the world can we find sounds that will help us chill out? Why in the world do our brains react differently to noises in nature versus noises made by humans? And how in the world can we add a little peace and quiet to our loud and busy communities?
