

ALMOST GONE

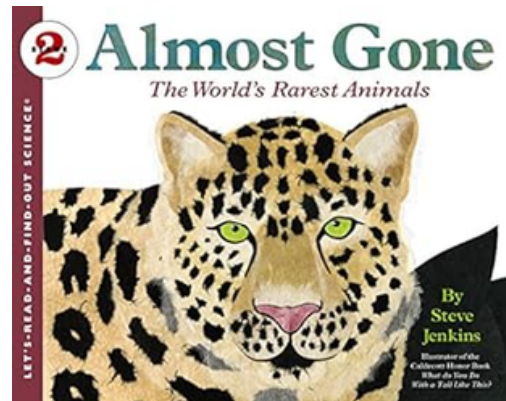

Steve Jenkins

ISBN: 978-0439860574

Grade: Grades 3-5

Description: Have you seen a northern hairy-nosed wombat or an eastern barred bandicoot? These animals are so rare, they might disappear forever, and they're not alone. Read and find out about some of the animals that are almost gone.

REFLECTION QUESTIONS

1. Which endangered animal in “Almost Gone” has the smallest population left?
2. Which, if any, of the animals in “Almost Gone” have you seen or heard of before?
3. How can YOU as second graders, help protect endangered animals?

ACTIVITIES

Make your own endangered species art! Have students choose one of the animals from “Almost Gone” and create an art piece for it. Students will recreate Steve Jenkin’s picture of their chosen animal using their desired medium. The picture should also include the species name, the location where the animal can be found, and how many are left. Students should display their completed art!
