

## ENDANGERED SPECIES | ADDITIONAL VIDEO RESOURCES

### Endangered Animals!

Duration: 4:18

*Video Description:* What's something pandas, orangutans, rhinos, and gorillas have in common? They're all endangered animals. Join Jessi and Squeaks to learn how an animal becomes endangered and what we can do to help them!

#### *Video Reflection Questions:*

- What does it mean if an animal is endangered?
- What is causing animals to become endangered?

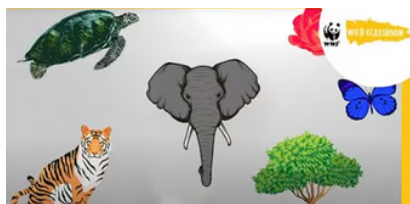

### How do we know if an animal is an endangered species?

Duration: 6:57

*Video Description:* Are your kids wondering: How do we know if an animal is an endangered species? This question came from John, a student from the United States. This episode is Part 1 of a special Earth Day mini-lesson series about endangered animals!

#### *Video Reflection Questions:*

- What are endangered animals in danger of?
- What does it mean if an animal is extinct?

### What is an endangered species?

Duration: 6:07

*Video Description:* At WWF, we talk a lot about 'endangered species.' But what, exactly, does it mean for a species to be endangered? This WWF Wild Classroom video walks through what makes a species endangered and why they need our help.

#### *Video Reflection Questions:*

- What does "species" mean?
- What is an endangered species?
- What is causing species to become endangered?
