

HUMAN IMPACTS ON ECOSYSTEMS

ADDITIONAL READING RESOURCES

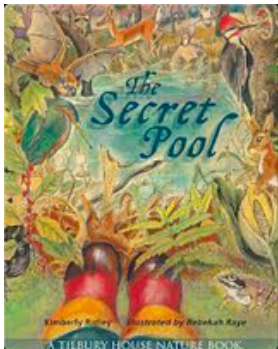

Over and Under the Pond: Kate Messner

ISBN: 1452145423

Lexile: AD660L

Description: In *Over and Under the Pond*, readers will discover the plants and animals that make up the rich, interconnected ecosystem of a mountain pond. Over the pond, the water is a mirror, reflecting the sky. But under the water is a hidden world of creatures—minnows darting, beavers diving, and tadpoles growing. These secrets and many others are waiting to be discovered over and under the pond in this sweet children's book from Kate Messner and Christopher Silas Neal, the latest in their beloved series that offers kids a peek into hidden ecosystems.
