

## WHAT IS THE ENVIRONMENT? | ADDITIONAL READING RESOURCES

These books were selected by our team of educators. Each choice connects to the topics we explore with your students in "What is the environment?"

**"Outside In" by Deborah Underwood**  
ISBN: 9781328866820

Outside is waiting, the most patient playmate of all. The most generous friend. The most miraculous inventor. This thought-provoking picture book poetically underscores our powerful and enduring connection with nature, not so easily obscured by lives spent indoors.

**"What if Everybody Did That?" by Ellen Javernick**  
ISBN: 9780761456865

If you drop just one soda can out the window, it's no big deal...right? But what if everybody did that? What if everybody broke the rules...and spoke during story time, didn't wash up, or splashed too much at the pool? Then the world would be a mess. But what if everybody obeyed the rules so that the world would become a better place? Using humorous illustrations rendered in mixed media, these questions are answered in a child-friendly way and show the consequences of thoughtless behavior.

**"Me and You and the Universe" by Bernardo Marçolla**  
ISBN: 9781631985225

Bringing together the worlds of social and emotional learning (**SEL**) and **STEM**, this calming and colorful picture book illustrates how we are all connected.

A beginner's guide to life on Earth, this calming and colorful picture book explores the ways we are all connected--from the tiniest cells to the largest solar system. Author and illustrator Bernardo Marçolla takes readers on a journey that fosters an appreciation for nature while opening eyes, minds, and hearts along the way.
