## REFLECTION QUESTIONS

1. What is your favorite way to stay cool in the summertime?
2. Which animal is most like you in how they cool down?
3. Which animal do you think has the best method of cooling down in the summertime?

## ACTIVITIES

### **STAY COOL!**

Using the drawing template, have your students draw themselves staying cool in the summer time! Encourage students to use one of their favorite examples from the book as inspiration.

Drawings should include:

- proper clothing/ gear
- a setting
- the animal they feel most similar to when they cool off from the summer heat!
