

STUDENTS SUE THE STATE OF MONTANA (Student Reflection)

Image taken from an interview clip of Mica Kantor, speaking with Liz Landers of Vice News. April 2023.

Answer the following questions in 2-3 sentences.

After becoming inspired by the film, *Chasing Ice*, Mica wrote a letter with his family to their state Senator about the need to take action on climate change. How does that make you feel?

Why do you think these students decided to take action and sue the state?

What actions can you take in your own community to address climate change?
