

OBSERVATION TABLE | SOIL SAMPLING

Directions

Fill out the table by observing your soil sample and the soil samples of two friends. When you're done, glue some of each sample in the space provided.

	LOCATION	SEE	SMELL	SOUND
	Where is your soil from?	What does your soil look like?	What does your soil smell like?	If you drop it, what sound does your soil make?
YOUR SOIL  Glue soil here!				
FRIEND 1 SOIL  Glue soil here!				
FRIEND 2 SOIL  Glue soil here!
