REFLECTION QUESTIONS

1. *Can banana peels be composted?*
2. *What is compost?*
3. *What can you use compost for?*
4. *What happens to leaves when they fall during Autumn?*

ACTIVITIES

1. Draw a picture of your lunch! Circle all of the things that can be composted.
2. Take a walk outside (best done in the spring) to explore the dirt. Look for any signs of insects or decomposition!
