

ONE PLASTIC BAG

Miranda Paul

REFLECTION QUESTIONS

1. *What causes Isatou to clean up the plastic bags?*
2. *How do Isatou and her community turn the bags into something new?*
3. *How did Isatou's action change her home?*
4. *What can you do to make positive change and reduce waste in your community?*

ACTIVITIES

Reduce waste in your own classroom and repurpose something from your waste bin! A few examples of how to repurpose waste include collage making from paper scraps, collecting and decorating food containers to use for storage, making magnets out of bottle caps! Have fun and be creative!
