City of Davis Wastewater Treatment Plant

Duration: 7:31

Video Description: Learn how the City of Davis Wastewater Treatment Plant processes wastewater from the Davis community to meet environmental and regulatory needs.

Video Reflection Questions:

- Why does waste water go through so many different phases?
- How can we limit how much incorrect waste ends up at treatment plants?

Wastewater Treatment Plant Virtual Tour

Duration: 5:15

Video Description: Citizens Energy Group's Virtual Tour Series, An Insider's View of the Utility Services We Deliver. To help our customers better understand the energy and water utility services we provide, Citizens is producing a series of virtual video tours of utility facilities and processes.

Video Reflection Questions:

- Why shouldn't we be disposing of oils, grease, fats, and other contaminants down our kitchen drains?
- What problems are caused when we aren't careful with what we send down the drains?
